X bass XLR

X Keith vocal

(if needed: **X** banjo DI & **X** guitar mic)

X Evie vocal** **X** floor/body mics

monitor

monitor

a u d i e n c e

** **best lead vocal** mics are large diaphragm condensers that in listening venues can also be used for Evie's banjo, guitar and body music. If not available, or loud room/festival, close vocal mics + S81s work for guitar + body music, banjo uses DI.

- all mics on boom stands
- monitors allow clear sight lines to dance floor
